

Day of Champions - 2017 Schedule

Note to coaches and parents. **Please have your team at the field and ready to play at the designated time.** Following each medal-game (ages U10 Academy Boys through U18), both teams should immediately make their way to the stage for the presentation of medals (players of each team will be individually introduced, and all players presented with a medal representing their final placement). We will also have a location set up for team pictures to be taken.

U4 and U6 teams will have medals presented by their coaches on field #5 following their session.

U8 and U10 teams all receive participation medals. Teams should proceed to the stage immediately following their session to have coaches present them with medals.

All players, parents, and coaches are invited to enjoy free refreshments throughout the day.

TIME	Division	Game	FIELD #	Teams
