

Player Pre-Existing Medical Consideration

If a player is injured and needs to be transported to the hospital, it will be useful in certain cases if knowledge of pre-existing medical conditions is available to hospital / clinic staff. An example would be in the case of a head injury where information regarding medical conditions could not be given by the player.

Below is a suggested medical emergency card that can easily be completed by the player or parent before the beginning of the season.

Players Name:

Date of Birth (dd/mm/yyyy):

Parents / Guardian's name:

Address:

Telephone: Home: Cell:

Telephone (Other): Home: Cell:

Medicare #:

Person to contact in case of
Emergency (& phone #):

Family Doctor:

Important:

Are you allergic to any drugs, if so what?

Do you have any other allergies (i.e.

Do you suffer from any of the condi

1. Asthma
2. Diabetes
3. Epilepsy
4. Other

Are you on regular medication, if so what?

Do you wear contact lenses?
